143!

This is a very special meaning to me. My mom used to write notes with 143 on it.

1 (I has 1 letter) 4 (love has 4 letters) 3 (you has 3 letters)

So it means I love you!

Feel free to spread the love!

Print out on cardstock and cut out and trace to muslin.

Sew on lines, use pinking sheers to trim around edges.

Cut slit in back of each, then flip, stuff and stitch shut.

Stitch the 3 numbers together.

Mix instant coffee with water
to desired color.

Use a sponge brush and let set in the sun.

Flip occasionally until dry!

That is it! Your done!

I hope you enjoy this pattern!

Shawnette :)
