

Primitive  
Gatherings

# Primitive Pocket Towel

## Supplies:

- ☺ 20" X 28" Kitchen Towel
- ☺ 8 1/2" X 11" piece of Osnaburg
- ☺ # 310 Black DMC Floss
- ☺ #934 Green DMC Floss
- ☺ #829 Tan DMC Floss
- ☺ Transfer paper

Trace the pattern onto the bottom half of your 8 1/2" X 11" piece of Osnaburg. The solid line is the stitch line which will finish all edges, the broken line is where you will stitch the piece onto the kitchen towel.

All stitching is done with 2 strands of floss. Using a straight stitch, stitch the X's and the tree branches with the tan, and "Primitive Gatherings" with the black. The leaves are green using a lazy daisy stitch.

Now fold your piece of fabric in half with the right side in the middle. Stitch along the solid line, shown on the pattern, leaving a space on the bottom to turn. Turn right side out, trim corners and press.

Simply stitch the pocket onto the towel using 2 strands of Tan floss, as shown on pattern.

Stain in your favorite coffee/tea/vanilla mix, dry and press!

F niou!
