

Wet Mittens by Monica Wilson

There's never enough dry mittens in the winter!

Accent Country Color Paints:

Soft Black - hat, lettering, eyes, and mouth.

Golden Harvest - Hat stripe

Adobe Wash - Sign, face, and stripes

Black Green - Sign boarder.

Fingerberry Red - Mittens, and dots on hat.

Barn Red - Cheeks.

Penn. Clay - Nose.

Instructions:

Base coat entire piece allowing each color to dry before basing the other.

Drybrush cheeks

Paint nose

Dot eyes and mouth stripe cheeks and line.

Letter sign with liner and dot letters with end of a 1" sponge brush.

Paint the stripe on the hat.

Let dry and dot.

Stripe mittens with a #5 flat

Sand edges off and antique with apple butter brown (Folkart Plaid)

Splatter with adobe wash and glue on piece of thermal material under his neck.

Drill all holes and wire together

Tie pieces of fabric on wire.

Spray with matte finishing spray.

The line drawings needs to be enlarged to fit an 8½" by 14" paper.
