Winter Blue                        Golden Straw
Williamsburg Blue                  Buttermilk
Tomato Red                         Light Buttermilk
DeLane’s Cheek Color
Hilite Flesh

Brushes
Loew – Cornell Angular – ½” and ¾”
Bette Byrd Scroller Liner – 6/0
Loew – Cornell Fabric Dye Brush - #2

Prep
Sand then seal wood with Delta Ceramcoat Varnish and sand and seal again
Trace pattern on, leaving out detail lines

BUNNY
Basecoat as follows:
Buttermilk – Bunny
Williamsburg Blue – Overalls
Soft Black – Head of ladybug
Tomato Red – Body of ladybug
Trace detail lines

SHADING AND HIGHLIGHTING
Milk Chocolate – Shade bunny behind the head on the ears, under the chin, behind the
overalls on the arms, down the arms and under the overalls on the feet, also make a back to
back float to divide the feet; basecoat the nose; make a dot for the mouth and line from
mouth to the nose
DeLane’s Cheek Color – Stipple cheeks and inside ears
Soft Black – Shade left side of nose
Light Buttermilk – Highlight nose and feet, with a dry brush stroke
Hilite Flesh – Dots on cheeks

LADYBUG
Soft Black – Shade ladybug and make spots
Buttermilk – Dot eyes

OVERALLS
Wedgewood Blue – Shade overalls down the sides and make a back to back float to
divide the legs; shade at the shoulders and under the straps
Winter Blue – Stipple highlights on center of belly, knees, cuffs and straps
Tomato Red – Basecoat hearts and do stitching lines on overalls
Golden Straw – Buttons on overall straps
**Details**
Micron .005 Pen – Eyes on bunny and outline your work as much as you like

**Finishing**
Krylon Spray – Give bunny one light coat
Milk Chocolate – Spatter bunny lightly
Krylon Spray – Give Bunny several light coats to finish

Enjoy....Bev
